**December, 2014**

Dear Ide Hill Residents,

Season's Greetings to you all! The parish council will be writing to you in due course but as you may be aware Ide Hill Football Club has been trying to build a new clubhouse for a number of years now. Finally, after a lot of fundraising and numerous legal issues, we are very pleased to announce that building will commence around the third week of January 2015.

This will hopefully not cause too much inconvenience to you, but we thought we would let you know an outline of the works and keep you updated as to the progress, these are listed below:

- The build will take approximately 12-16 weeks
- The site, which will include a temporary site office, will be securely fenced off and a health and safety plan will be in place
- To enable large vehicle access to the site, a temporary crushed concrete road will be put in place between the gate from Camberwell Lane to the site
- The road will be removed and the gated lane area will be restored to its usual condition on completion of the build
- A section of our web site at [www.idehillfc.co.uk](http://www.idehillfc.co.uk) will display regular updates and progress on the build.
- If there are any issues or complaints, you can contact the club directly through the website or via email below, and we will liaise with the construction company with a view to resolving any issues immediately

Once again, we do apologise for any inconvenience the build may cause and we hope you see this development as an improvement to the village facilities, whilst being a benefit to both our adult and youth sides (most of whom attend the village primary school).

If you have any queries at this time please do not hesitate to contact me via email at [keith@idehillfc.co.uk](mailto:keith@idehillfc.co.uk).

May I also take this opportunity to wish you all a very Merry Christmas and a Happy New Year.

Many thanks and kind regards,

**Keith McGinn**, Ide Hill FC Club Secretary
